A MESSAGE FROM OUR PRINCIPAL, MS. NUNEZ

Happy Winter!

I love this time of year. We get snuggly and warm, and look forward to time with our families and this year it's going to be even more important to stay in and get cozy. We really have so much to be thankful for. The generosity of families is amazing and greatly appreciated. Conferences are over, and students are full swing into their classes. Thank you for the time you spent with each of your teachers. We so appreciate the support and camaraderie we experience with our parent community. It has been so amazing to have our students and staff back on campus. Our teachers have worked so incredibly hard this year preparing, training, and networking with other educators to welcome all of our students back to the classroom after our zooming year. Your children are now showing the benefits of all that hard work! It's exciting to see our children actively engaged in higher level academic conversations and problem solving skills!! I would like to extend a special thank you to our PTA, SSC and all of the staff members that support our school. Without you, our students could not be successful. I am particularly thankful for each teacher and dedicated staff member on and off this campus . Every day they choose to show up with integrity, enthusiasm, and professionalism. On behalf of the entire school faculty and staff at Vinci Park, I wish you and your entire family peace, joy, happiness and excellent health.

Sincerely,
Mrs. Nunez

Second Harvest Update

Thank you all who were able to donate to the Second Harvest Food Bank. We met our goal of raising \$5000 thanks to a generous donation from an anonymous donor. It is not too late to donate to this very worthy cause. All donations are tax deductible.
