A MESSAGE FROM OUR PRINCIPAL, MS. NUNEZ

Dear Vinci Park Families,

I hope that this newsletter finds you well. As we begin the month of February, we continue to work very hard with our students. While this year has been more different than any other, we look for ways to continue connecting with our students. Just recently, our students celebrated the 100th day of the school year. This is always a lot of fun for our students. While I know we have had to do things differently than in the past, students are still learning. I appreciate all of the support that our community is providing to us and to their children as we continue to navigate this year. It is not easy, and we are grateful for everyone's commitment to our students. Thank you!

As February will soon end and blossom into March, we are again looking forward to reports cards and parent/teacher conferences from March 4-11. If you have any questions or concerns for your child's teacher, I recommend that you begin writing them down in preparation for your meeting.

Lastly, I would like to thank all our teachers and staff members for working tirelessly throughout this school year to make sure all of our students are learning, having fun and safe.

Best,

Parisa Nunez

Principal

THANK
YOU
