A MESSAGE FROM OUR PRINCIPAL, MS. NUNEZ

Dear Vinci Park Families,

What an interesting year we have had! I am continually impressed by the flexibility, support, and enthusiasm of the Vinci Park School community. I would like to thank the students, staff and parents for your hard work and collaboration this year. We are fortunate to have so many fine programs and resources for students, as we enrich our wonderful classrooms with art, music, science, technology, after school programs, and computer classes. Our school culture was especially enhanced by the many school based events organized by our PTA and staff. Our school would not be successful without you. Parents and community members offered to do it all without even being on campus. Vinci Park School thrives because of our PTA and supportive families. Thank you, to the fantastic PTA board and members, for guiding our wonderful membership toward continued success of our Vinci Park community. The fundraisers and school activities have been fun, well-organized, meaningful and profitable. Because of parent and staff input and the response of the PTA, we have been able to provide virtual field trips, art and classroom materials, and new equipment to our school this year. We encourage more parents to get involved next year so we can all work together in the future. Thank you, volunteers. Have a great summer, looking forward to a wonderful 2021-2022 school year!

Thank you,

Parisa Nunez
Principal

Teacher & Staff Appreciation Week

Thank you to all our amazing teachers and staff for all you do!

A MESSAGE FROM OUR NURSES:

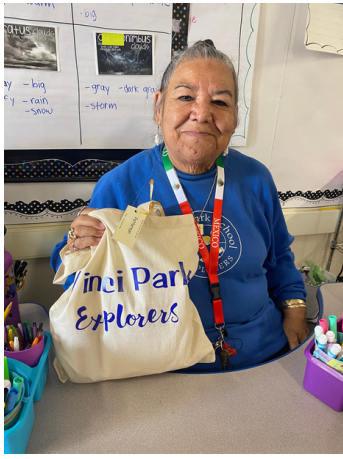

Please pick up any unused medication(s) that your child has in the school office by the end of the last day of school. The school cannot store medication in the office over the summer, and unclaimed medications will be disposed 1 week after the last day of school.

If your child will continue to need ANY medication(s) during the school day during the next school year, including any over-the-counter medications such as Tylenol, Benadryl, and/or Advil, the Berryessa School Permission Medication Form must be completed and signed by both the health care provider and the parent/guardian. Medication forms are available in the school office.

NOTE: A SEPARATE MEDICATION AUTHORIZATION FORM IS REQUIRED FOR EACH MEDICATION EACH SCHOOL YEAR.

PICK UP THE ALLERGY PLAN FORM, IF YOUR CHILD WILL REQUIRE MEDICATION AT SCHOOL FOR ANY TYPE OF ALLERGIES.

We ♥ Our Teachers and Staff!
