# A MESSAGE FROM OUR PRINCIPAL, MRS. NUNEZ

Dear Vinci Park Families;

We hope this message finds you and your families doing well. As we enter the month of April, there are a few updates and reminders we'd like to share with you.

Wow, the second trimester has ended and you should have received your child's report card. Hopefully you had an opportunity to review it with your child, and set goals for the third trimester and celebrate the successes. Students certainly are doing some spectacular pieces of work. If you have questions or concerns, be sure to contact the teacher.

As we move into warmer weather, it's important to review safety rules for outdoor activities with your child. Please remind them to always wear a helmet when riding their bike or scooter, and to stay hydrated when playing outside. It's important that we take care of ourselves so we can enjoy the sunshine safely. Many Vinci Park children and families use the Vinci Park campus for after school and weekend events. Please show respect and pride for our community school by the following actions:

- Take all trash home and help others to do the same.
- Supervise your children and remind others to do the same.
- Keep dogs off the campus at all times.
- Address anyone engaging in vandalism and report it to the school office or the police.

Have a great month!

Best,

*Parisa Nunez*
